1. Declaration of Interests:

None were arising.

DF produced a form for everyone to sign. It was agreed that we would use this and will be on-going for members and future members.

2. Minutes from the last meeting:

These were agreed by all there to be a true reflection.

3. Matters arising:

Minutes need to go onto the Parish Council website.

4. Financial report:

£82 spent so far.

5. Logo Competition Report:

KC visited Witherley School and presented to the Key Stage 2 children whose response was very positive. November 1st is the closing date and we will judge them and decide on a logo at the next meeting. All competition entries will receive a certificate and be displayed at the drop-in sessions.

6. Drop-In Sessions:

JP has altered the leaflet as discussed via email and it is ready to go to the printers. It was agreed that if the printer was more economic we would order 2,000. KC to discuss with JP and seek advice around where to distribute. Volunteers from the original list will be asked to distribute. CWL to source these from that list and contact at the correct time.

7. New Members:

Several people were mentioned as possible members on the Steering Group. These are to be approached about attending the next meeting. It was felt that we only need to meet once more before the drop-in meetings, and to make it an earlier time.

8. Any other business:

Facebook account is work in progress. Photographs to KC as soon as possible.
